**JOUR 30258, Quiz #1 (50 total points)
September 25, 2008**

Group Portion (10 of 50 points, 5 points each)

Clip #1:

Clip #2:

“Discoveries” Project Self-Evaluation

- a. How many total manhours did you spend on the project report?
- b. How many total manhours did you spend on the poster?
- c. Of the total effort that went into completing this project, without naming names, what was the division of overall contribution? [e.g., 25-25-25-25; 20-20-30-30; 10-20-30-40; must equal 100]
- d. Compared to the other reports and posters, how would you rate yours?
_____ Best overall _____ top half _____ bottom half
- e. What techniques or approaches do you like in the other projects that you could've implemented and made your project stronger? (both report and poster; use back if necessary)
- f. Of the 5 questions you asked, which is the:
- 1) least likely to be answered, or is unanswerable, by specialists in that area
 - 2) most likely to be answered or could most easily be answered by a specialist
 - 3) most significant or most likely to be asked by a specialist in that area

When you're finished, turn in your answer sheet and you can leave. See you next Tuesday.
